

RECYCLING & STABILIZING ASSOCIATION OF CALIFORNIA

RESOURCES FOR COST SAVINGS AND SUSTAINABILITY VIA PAVEMENT RECYCLING

THURSDAY, AUGUST 3 | 11 AM – NOON | ZOOM

0.1 ICC-APPROVED CEU AVAILABLE

REGISTER NOW

SUMMARY

CalGeo members and guests will learn how to maximize cost savings and sustainability via pavement recycling. Education will cover the Recycling & Stabilizing Association of California (RSA), California Aggregate Resources, the reuse of pavement materials on site, the rising cost of RAP disposal, and recent in-place recycling projects.

AUDIENCES WHO WILL FIND THIS RELEVANT

This webinar will offer value to geotechnical engineers, county engineers, city engineers, Caltrans employees, pavement engineers, inspectors, project managers, lab consultants and technicians, field consultants and technicians, and more.

Dennis McElroy

President of RSA; Head of Estimating & Business Development @ Graniterock, Pavement Recycling Group Caltrans PMPC - Recycling Industry Member, Asphalt Task Group
