CAREERS IN GEOTECH: PANEL & NETWORKING + FOOD

Join Cal Poly SLO students interested in the geoprofessions. Lindsey Angell, PE, Principal at CEC, will moderate a panel of geoprofessionals (Ryan McKee, PG, CEG, Engineering Geologist at Caltrans; Mike Miller, Project Manager/Business Development at EagleLIFT; Noah Smith, PE, GE, Principal at Terracon; Rob Down, PE, Managing Principal at Earth Systems Pacific; and Yvette Wilson, PE, Owner/Principal Engineer at Rock Solid Engineering, Inc.). They will answer questions about the opportunities that students can seek in the geoprofessions at small, medium, and large firms or in public works.
