#### **Harpreet Gill, EIT**

*Associate Consultant, WSP USA Inc.*

An Associate Consultant with WSP USA Inc., Harpreet received his Bachelor of Science (2019) and Master of Science in Civil Engineering (2022) from Sac State. He began interning with WSP (then Golder) in 2019 and started working full time with WSP in January of 2020. At WSP, he has worked on a variety of mining and solid waste industry projects. Since completing graduate work, his fieldwork has included performing construction quality assurance (CQA), monitoring geotechnical instruments, and logging. Over the past two years, he has lived at length in Alaska performing CQA of tailings dam raise construction at a remote mine site.
