

# SAFETY TRAINING: INJURY RESPONSE AND INCIDENT REPORTING

ICC APPROVED FOR 0.5 PDHs / 0.05 CEUs\*

WEDNESDAY, DECEMBER 4 | 4-4:30 PM | ZOOM

MEMBERS: \$20 NON-MEMBERS: \$40

**REGISTER  
NOW**

This course supports attendees in understanding:

- 1) An employee's right to prompt medical care and the workers compensation system including the life cycle of a compensation claim
- 2) The importance of communicating the availability of first aid kits, AED, and trained personnel; location of nearest hospital and clinic; Medical Provider Network (MPN) approved treatment facilities
- 3) Proactively managing risk: How a company's Experience Modification Rate (EMR) directly affects the cost of insurance; accident / incident investigation via Root Cause Analysis (RCA)

**CHRIS MALICKI, CRIS, OHST, CHST**
