

# SAFETY TRAINING: CONSTRUCTION SITE HAZARDS

ICC APPROVED FOR 0.5 PDHs / 0.05 CEUs\*

WEDNESDAY, OCTOBER 30 | 4-4:30 PM | ZOOM

MEMBERS: \$20 NON-MEMBERS: \$40

**REGISTER  
NOW**

As construction sites are inherently dangerous with changing hazards and conditions, knowing what to look for is the key to being safe. This course helps field staff to:

- 1) develop the ability to identify hazards;
- 2) choose corrective actions; and
- 3) report issues up the chain of command as needed.
