

# 2025 EPISODE II: EP WEBINARS BY EPs

## BEYOND THE BOOKS: FIELDWORK, FLEXIBILITY, AND FINDING YOUR PATH IN GEOTECHNICAL ENGINEERING

**REGISTER**

**FRIDAY, OCTOBER 10 | 11 – 11:30 AM | Zoom**

**Brandon Bretts, PE**

*Project Engineer at GEI*

### ATTEND THIS WEBINAR TO LEARN:

- How formative roles in complex projects have expanded my early professional experience.
- How I developed technical depth through on-site problem solving, contractor oversight, and cross-office collaboration.
- Reflect on how making intentional decisions to step beyond my comfort zone strengthened my confidence, adaptability, and engineering judgment.
