David L. Coduto has been the President of Terra Insurance Company since 1989. He began his association with Terra in 1980, while still employed with Design Professionals Insurance Company (DPIC). Mr. Coduto has been directly involved in Terra's operations since 1985. Terra Insurance Company was DPIC's largest single shareholder.

From 1984 to 1986 David provided independent financial consulting services to various insurance companies, and from 1980 to 1984 he was employed by DPIC and last held the offices of Director, Vice President, Chief Financial Officer and Treasurer.
