Academy of Geotechnical Engineering Sponsorship Proposal 2025 — 2026

A Message of Gratitude

Dear Potential Sponsor,

It is our greatest pleasure to kickoff the Academy of Geotechnical Engineering's inaugural year as a Registered Student Organization at UC Berkeley. We are the university's CalGeo Student Chapter!

Academy of
Geotechnical Engineering

What is the Academy of Geotechnical Engineering?

The Academy of Geotechnical Engineering (AGE) is a professional student organization focused on connecting undergraduate students and graduate students to professional engineers in the field of Geotechnical Engineering.

AGE brings networking opportunities, educational events, and professional development for all students addressing both technical and business aspects of the geotechnical engineering industry.

A Message From the President

We are extremely excited to be able to partner in cultivating the next generation of professional engineers. It is a privilege to lead the way for undergraduate and graduate students to set new standards across the industry. We would be deeply honored to have your invaluable contributions to meet our values and goals.

Ricardo Osorio-De Jesus

Sponsorship Tiers

Start-Up (Custom Amount)

- This is for donors who support the mission of BAG and want to help us build a strong foundation!
- Personal Thank You letters from BAG members

Bronze Tier (\$250)

- Personal Thank You letters from BAG team members.
- Sponsorship recognition on our social media

Silver Tier (\$500)

- Includes Bronze Tier benefits.
- Your company's logo on our competition T-shirts.

Gold Tier (\$750)

- Includes Silver Tier Benefits.
- Your company's logo on our competition structure.

Platinum Tier (\$1000)

- Includes Gold Tier benefits.
- A general meeting of your choosing to introduce us to your company during the Fall or Spring Semester.

Diamond Tier (\$1500+)

- Includes Platinum Tier benefits.
- A general meeting to conduct interviews with our team members for potential intern candidates at your company.

Our Organization

The Academy of Geotechnical Engineering at Berkeley is an entirely student-run organization! We are an all-welcoming and all-inclusive clubs that expose students to the world of geotechnical engineering through case studies, software workshops, site visits, and networking events.

Our Mission

With the support of the California Geotechnical Engineering Association, our club fosters a creative & inclusive atmosphere where engineering students learn from each other. We want to prepare our students with skills, knowledge, and confidence needed to navigate and overcome the dynamic world of geotechnical engineering. We are committed to empower our members to not only meet industry demands but shape its future with confidence and integrity.

AGE firmly believes that learning should be a fun, interactive experience that leaves a lasting positive impression on an individual.

Outreach

We host several outreach events for our team:

- Tabling for T-PREP and PREP (programs for eligible incoming transfer and freshmen students that prepare them for success at UC Berkeley).
- Club introduction at the Cal ASCE Infosession at the beginning of each academic year.
- Tabling at the beginning of the semesters at club fairs.
- Open-attendance general meetings to introduce the club and to new students interested in joining.

Donation Instructions

Individuals and/or organizations that would like to support us can do so by following these instructions:

1. This link will take you to the ASUC Portal:

<https://donate.stripe.com/6oEeYJ5CX6Ay5a03cl>

2. On the left side, there's a tab for specifying the amount you wish to donate.

3. Fill out the contact information.

4. In the "Student Organization Name" tab please put "Academy of Geotechnical Engineering at Berkeley".

4. In the "Reason for Payment" tab, select "sponsorship".

5. Enter the appropriate information into the "Name of Person/Entity Making Payment" tab.

6. In the "Payment Method" tab, select the payment method you want to use.

Thank you so much for taking the time to read through our flyer, and we hope to hear from you soon!

Academy of Geotechnical Engineering

“At the intersection of education, community, professionalism, and having fun”
