2026 - 2027

# A MESSAGE OF

Greetings,

We are very pleased to be starting the Academy of Geotechnical Engineering's second year as a Registered Student Organization at UC Berkeley. We are the university's CalGeo Student Chapter!

We are extremely excited for the opportunity to cultivate the next generation of professional engineers through partnership with industry. It is a privilege to lead the way for undergraduate and graduate students to set new standards of professionalism and collaboration across the industry. We would be deeply honored to have your invaluable contributions to accomplish our goals, while fulfilling our values. This upcoming academic year, we are aiming to accomplish three objectives:

- Send undergraduate student members of our club to the DFI 51st Annual Conference on Deep Foundations.
- Send undergraduate student members and graduate student members of our club to the 2027 Geo-Institute Symposium.
- Reintroduce site walks and office visits as a part of the outreach effort our club offers to its members.

**EMILIA ROSE VELOYA**

President

**FRANCESCA TOM**

Secretary

francescatom17@berkeley.edu

**JUSTIN ACUNA**

Treasurer

jacuna630@berkeley.edu

# OUR ORGANIZATION

The Academy of Geotechnical Engineering at Berkeley is an entirely student-run organization! We are an all-welcoming and all-inclusive club that exposes students to the world of geotechnical engineering through case studies, software workshops, and networking events.

# OUR MISSION

With the support of the California Geotechnical Engineering Association, our club fosters a creative and inclusive atmosphere where engineering students learn from each other. We want to prepare our students with the skills, knowledge, and confidence needed to navigate and meet the needs of the dynamic world of geotechnical engineering. We are committed to empower our members to not only fulfill industry demands but shape its future with confidence and integrity.

AGE firmly believes that learning should be a fun, interactive experience that leaves a lasting positive impression on an individual. Within the framework of this belief, we are looking to reestablish site walks and office visits as part of the club's extracurricular offerings to our members. If your company is open to hosting our club for events like these, we would very much appreciate you reaching out to us!

# OUTREACH

We host several outreach events to increase campus awareness of our club:

- Tabling for T-PREP and PREP (programs for eligible incoming transfer and freshmen students that prepare them for success at UC Berkeley).
- Club introduction at the Cal ASCE Infosession at the beginning of each academic year.
- Tabling at the beginning of the semesters at club fairs.
- Open-attendance general meetings to introduce the club to new students on campus.

# SPONSORSHIP TIERS

## Start-Up (\$0-\$249)

- This is for donors who support the mission of AGE and want to help us build a strong foundation!
- Personal Thank You letters from AGE members

## Plane Strain Tier (\$250)

- Personal Thank You letters from AGE team members.
- Sponsorship recognition on our social media

## Vane Shear (\$500)

- Includes Plane Strain Tier benefits.
- Your company's logo on our T-shirts.

## Triaxial Tier (\$850)

- Includes Vane Shear Tier benefits.
- A resume booklet containing the resumes of our members.
- A general meeting to conduct interviews with our team members for potential intern candidates at your company.

## Particle Gradation Tier (\$1000+)

- Includes Triaxial Tier benefits.
- Your choice of a Company Presentation or site visit to introduce us to your company during the Semester.

# DONATION INSTRUCTIONS

Individuals and/or organizations that would like to support us can do so by following these instructions:

1. This link will take you to the ASUC Portal:  
<https://donate.stripe.com/6oEeYJ5CX6Ay5a03c1>
2. On the left side, there's a tab for specifying the amount you wish to donate.
3. Fill out the contact information.
4. In the "Student Information" tab, please put  
"Academy of Geotechnical Engineering at Berkeley".
5. In the "Reason For Payment" tab, select "sponsorship".
6. Enter the appropriate information into the  
"Name of Person/Entity Making Payment" tab.
7. In the "Payment Method" tab, select the payment method you wish to use.

Thank you so much for taking the time to read through our flyer, and we hope to hear from you soon!
